

Study Group in the Society for Virology on

Clinical Virology **4th WORKSHOP**

5. - 6. November 2010 in Zeilitzheim

Call for Abstracts

Dear all,

The fourth workshop on clinical virology will take place on 5 and 6 November 2010. It will be held again at Schloss Zeilitzheim near Würzburg (www.barockschloss.de). Since it is difficult to reach Schloss Zeilitzheim by public transport, a shuttle transfer from Würzburg (main station) will be organised as in previous years.

During the meeting we will have guest speakers for key note lectures and talks from the submitted abstracts (10 – 15 min each). We would like to encourage especially young researchers to present their data on the meeting.

As a new feature, we will have an open section for spontaneous presentation and discussion of preliminary data or interesting case reports, requests for collaboration partners, etc.

Language will be English. However, German may be possible. Further information about the program will be provided after the abstract submission is completed.

Accommodation is available at Schloss Zeilitzheim (www.barockschloss.de) or in the vicinity (see attached address list). Rooms at Schloss Zeilitzheim are reserved for meeting participants until 30.09.2010. Please make bookings as soon as possible.

Deadline and fees

Deadline for workshop registration with or without abstract submission: **30.09.2010**

For registration, please fill in the registration form on the second page and send it by e-mail to vibgae@uniklinikum-saarland.de.

The abstracts should include

1.) Title, 2.) Author names, 3.) Affiliation of the authors.

Please use ARIAL 11 pt. The Abstracts should not exceed one DIN A4 page.

Registration fee incl. food will be ca. 20 € for members of the GfV and ca. 40 € for non-members.
